GALLUP EAST/WEST I-40 INTERCHANGE STUDY

The **Northwest New Mexico Council of Governments (NWNMCOG)**, in cooperation with the New Mexico Department of Transportation (NMDOT), the City of Gallup, and McKinley County, is currently leading the **Gallup East/West I-40 Interchange Study (CN 6101690)**. The Study analyzes two interchanges along I-40 to determine potential improvements and identify alternative design solutions.

The purpose of this in-person meeting is to present detailed alternatives, summarize engineering and environmental analyses, and to receive your input.
