GALLUP EAST/WEST I-40 INTERCHANGE STUDY

The Northwest New Mexico Council of Governments (NWNMCOG), in partnership with the New Mexico Department of Transportation (NMDOT) and the City of Gallup, is currently leading the **Gallup East/West I-40 Interchange Study** (CN 6101690). The Study analyzes two interchanges along I-40 to determine potential improvements and identify alternative design solutions. The purpose of the meeting is to introduce the study, present information on existing conditions, share preliminary alternatives, and receive your input. **There will be opportunities to ask questions and provide comments.**
